Circle Observation Assessment for Prekindergarten - Prek	https://www.childrenslearninginstitute.org/RESOURCES/COT/
Common assessments - TEKS based benchmark grades 1-8	Benchmark assessments or Common Assessments are short tests administered throughout the school year that give teachers immediate feedback on how students are meeting academic standards. Regular use of benchmark assessments is seen by many as a tool to measure student growth and design curriculum to meet individual learning needs. East Grand Prep utilizes teacher generated assessment to determine progress on the TEKS.
